

Short Story

HAROLDAS BAGDISANKA

I left Lithuania in 2007:

- My father has a job in Spain and we have to move to live there.
- We are three in the family, me, my sister and my mother
- I just was 16 year old when I arrived to Spain .

- My first school in Spain was “ I.E.S Libertas “ in Torrevieja (Alicante)
- I did not know any Spanish, so it was so hard for me
- At the beginning it was hard to adapt to the culture, the food, the language and even the weather.

⦿ It was easy to find friends , there were many English people, so I could speak to them

⦿. The weather was a bit problem for me, it was so hot in a summer and in winter no snow

Then, I moved to Santander , because my father found a better job.

It was an opportunity to improve our lives,
BUT:

⦿ I have to start again..... New friends and adaptation again

In Santander I started to study an Administration in DECROLY.

I am very happy in this college:

- I met a lot of people from different nationalities
- I have a very good teachers
- I like the atmosphere
- I am completely integrated

Thank you very much for your attention
